Lake Placid Horse Show Family,

2020 was a historic year as both the world and the Lake Placid Horse Shows took a pause. For the first time in fifty years, a global pandemic forced the cancellation of our beloved two weeks of show jumping in the Adirondacks. But rest assured, this year we are coming back stronger than ever. We are all looking forward to getting back in the saddle for “the best two weeks of a horseman’s summer”

Lake Placid is a special place to show, compete, and vacation. The quality and level of competition combined with our scenic location set our shows apart from the rest of the crowded summer riding circuit. For many obvious reasons, Lake Placid has emerged as a popular destination for show jumping and enjoys a fervent following among passionate equestrians.

Outside of world-class show jumping, Lake Placid offers a myriad of recreational activities, including hiking, water skiing, hockey, rock climbing, canoeing, golf, and fly-fishing. The Olympic Village offers fine hotels, outstanding restaurants, luxurious spas, fun entertainment, and great nightlife. Welcome to our wonderful Adirondack horse show vacation!

During our year off we did not rest. Management has been working tirelessly to identify and implement several improvements to our shows. Over the last five years, we have upgraded the footing, added new riding rings, and improved the overall facility. These upgrades represent well over seven figures of investment. As I write, we are moving forward with a six-figure project to upgrade the entire electrical system on the show grounds. Over the last year, management has recruited additional leadership to the Executive Committee and the Board of Directors. We welcome our talented and dedicated new board members and are grateful for the years of service and hard work of our retiring board members.

Finally, management has listened carefully to the thoughtful suggestions generated from our exhibitor advisory board. Because of their efforts, several new initiatives are underway. At the top of the list was a quantitative and qualitative review of our show schedule. After much collaboration with the committee, we have made extensive scheduling and logistics adjustments in an attempt to end our days at a reasonable hour. Several other meaningful improvements are happening for the upcoming show season that we expect will not go unnoticed. As usual, we welcome all feedback on ways to improve.

Given the post-Covid environment, we anticipate strong exhibitor demand for 2021. Entries are limited as we place safety and a positive experience above profits. Please get your entries in early as they are accepted on a first-come, first-serve basis.

We express gratitude to our generous supporters who make our shows possible year after year—our sponsors, vendors, riders, trainers, grooms, staff, families, volunteers, the Olympic Village, and the Town of North Elba. All of our stakeholders share a love of these two sacred summertime weeks of show jumping. We are grateful for everyone’s steadfast support.

It is both an honor and a privilege to serve as the Chairman of this venerable and successful event. We hope to see you in ringside at Lake Placid in 2021.

Best wishes,

Philip Ernst Richter, Chairman

Dear Friends:

It is a pleasure to send greetings and a warm welcome to everyone gathered for the Annual Lake Placid Horse Show season, “The Best Two Weeks of a Horseperson’s Summer.”

Lake Placid and the breathtaking Adirondack Region is home to several of the most prestigious equine events in our nation. These exciting Hunter and Show Jumping championships bring world-class riders and horses from all over globe, as well as thousands of spectators to enjoy the beauty and peace of upstate New York. Eagerly anticipated and welcoming young and old, the Lake Placid Horse Shows promote local tourism and economic growth, and remind everyone in attendance of the many attractions of Lake Placid and the remarkable opportunities for recreation and adventure in the Adirondack Mountains.

For twelve exciting days, you come together to share the pageantry of the Lake Placid Horse Show and the I Love New York Horse Show and the thrill and fanfare of two world-class Grand Prix competitions. Much time and energy go into organizing an event of this magnitude and, on behalf of all New Yorkers, I commend your many generous sponsors, the Lake Placid Horse Show Association, the countless dedicated volunteers, and all those affiliated with what I am sure will be a tremendous success.

With warmest regards – best of luck to the participants – and best wishes to everyone for a truly great stay in the Adirondacks.

Sincerely,

June 2021

Dear Lake Placid and I Love New York Horse Show Participants, Officers, Sponsors and Friends:

It is my privilege and indeed a pleasure for the Village of Lake Placid to WELCOME you to our community and the 51st Annual Lake Placid and I Love New York Horse Shows. We missed you last year.

We believe the Lake Placid Horse Show Grounds offer a spectacular setting, well suited for world-class competitions. They are a showplace year-round for other events, but the bustle of the Horse Show is what the grounds were meant for.

As your host for these two premier events, we welcome you and encourage you to enjoy your stay in Lake Placid by seeking out the outstanding dining experiences offered by our many restaurants, hotels and resorts. While our Main Street is under construction for much needed upgrades, our shopkeepers look forward to welcoming you. Beyond the show grounds, there are many recreational, outdoor and cultural experiences awaiting you in this Olympic Village

On behalf of the Village Board of Trustees, we extend our gratitude and appreciation to all the Horse Show staff and volunteers who have kept Richard Feldman's vision alive. His presence is missed, but his legacy lives on.

Thank you all for your continued loyal support of our Lake Placid and I Love New York Horse Shows. We wish you a successful event and competition.

Very truly yours,

A handwritten signature in blue ink, appearing to read "Craig H. Randall".

- G. Riders are limited to competing no more than four (4) horses in the championship, however, a competition may choose to further limit the number of horses a rider can compete to three (3) horses, as long as the competition notifies the USHJA 60 days in advance of the date of the class and such limitation is printed in the prize list.

USHJA National Hunter Derby

1600 \$5,000 USHJA NATIONAL HUNTER DERBY PRESENTED BY LUKENS HORSE TRANSPORTATION (LPHS - Sunday, July 4)

Entry Fee: \$375 (includes \$25 fee to USHJA)

Membership and Participation Requirements

- A. Riders, owners, and trainers must be current Active members of USEF and USHJA to participate in this class. (see GR202).
- B. Horses and ponies must be registered with USHJA to participate in this class.
- C. Exception: Foreign residents and horses and ponies in good standing with their National Federation are eligible to compete in this class but will not receive points unless they follow I.A. and I.B.
- D. USHJA Zone HOTY bonus points will only be awarded if the owner is a current Active member of USEF and USHJA and the horse is recorded with USEF and registered with USHJA.
- E. Money won will only count for any USHJA National Hunter Derby standings or awards if the rider, owner and trainer are current Active members of USEF and USHJA, and the horse is registered with USHJA.
- F. Competition management is required to run the class if there are twelve (12) or more entries. They may choose to run the class with fewer than twelve (12) entries.
- G. The number of horses a rider can compete in a National Hunter Derby may be limited if so specified in the prize list.
- H. The prize list may specify that in order to be eligible to compete in a National Hunter Derby, a horse must compete in one or two classes at the same competition.
- I. The same horse may not compete in the USHJA National Hunter Derby and the USHJA International Hunter Derby at the same competition.
- J. Competing in the USHJA National Hunter Derby does not qualify a horse or rider for the USHJA International Hunter Derby Championship.
- K. Horses entered in this class will NOT be required to jog for soundness. Any unsoundness during the competition will be reflected in the scores from the judges (GR 1033.6).
- L. In accordance with HU173.14 the same horse-and-rider combination must compete in both rounds of the National Hunter Derby.
- M. Attire: Refer to HU107 in the USEF Rule Book for current specifications.

Judging System

- A. Each class may have the option of having either one or two panels of judges. Each panel will consist of two judges sitting together. One judge on each panel must be a "R" judge, the other judge on each panel may be either a "R" or "r" judge. Each panel will provide one score for each round. See "E" for calculating the Overall Score.
- B. No panel may award the same base score to any two competitors in any one round.
- C. The first round shall be judged on performance, hunter pace, jumping style, quality and substance, and movement. After the judges base score is given, one point will be added for each high option fence jumped. The Option Bonus Score of one additional point must be awarded even if there is a refusal, rail down or loss of good jumping style at that higher height option fence, providing that the horse-and-rider combination does jump the higher height option fence. (Maximum of four points.)
- D. The second round shall be judged on performance, hunter pace, jumping style, quality and substance, movement, handiness and brilliance of pace. Handiness is defined as ground saving movement without adversely affecting performance or style. Brilliance of pace is defined as a faster pace than ordinary, without sacrificing performance or style. Handiness is taken into account in the judges' base score. After the judges' base score is given, one point will be added for each high option fence jumped. The Option Bonus Score of one additional point must be awarded even if there is a refusal, rail down or loss of good jumping style at that higher height option fence, providing that the horse-and-rider combination does jump the higher height option fence. (Maximum of four points.)
- E. Overall Score - The final score from each round (3'0" with 3'5" options) will be either averaged or added as specified in the prize list to obtain the overall total for each horse.

Tie Breaking Procedures

- A. No panel may award the same base score to any two competitors in any one round unless a competitor's score is below the cut-off score.
- B. Any ties in all rounds will be broken by the base score (before adding height bonus points) of that round.
- C. Unless the prize list states that more than 12 entries are to return for the second round, only the top 12 horses from the first round, after all ties are broken, are eligible to return for the second round.
- D. All ties for overall first place in the class will compete in a jump-off round. In the case of unsafe conditions preventing a jump-off from being held, the tie will be broken using the second round base score (before adding height bonus points).
- E. Ties for other than first place in the overall standings will be broken using the second round base score (before adding height bonus points).
- F. Prior to the start of the class, if two judging panels are used, one panel must be designated as the tie breaking panel for the first round and another panel must be designated as the tie breaking panel for the second round. The tie breaking panel for the first round will also be designated as the tie breaking panel for the jump-off round.

Schooling

- A. During the two rounds of the National Hunter Derby, all horses entered must be ridden in official horse show schooling areas unless Management designates a specific schooling area for National Hunter Derby horses. Riders must wear their horse's Derby competition number while mounted. This includes horses entered simultaneously in another class, if any. Entered horses ridden or schooled elsewhere on the competition grounds or NOT wearing their Derby competition number will be eliminated from competing in the Derby and the entry fee will be forfeited.

Order of Go

- A. The order of go must be posted a minimum of one hour prior to the start of the class.
- B. In the case of multiple horses being ridden by the same rider, every effort will be made so that there will be a minimum of eight horses (if available) separating multiple rides. All horses must be ridden in the sequence that appears on the jumping order in the first round of the competition. In the second round horses will return in reverse order of their first round scores (lowest to highest). Due to multiple or rider conflicts, any rider may elect to move up in the order. Should a jump-off rides occur, horses will return in the same order in which they competed in the second round.
- C. The draw may be performed by hand or competition management may host a computer draw.

Course Requirements

- A. The course diagrams for each round must be posted a minimum of one hour before the start of the first round, unless the second round is held at another time. In that case, the course for the second round must be posted a minimum of one hour prior.
- B. Dotted lines are prohibited in both the first and second rounds of any National Hunter Derby.

USEF Rules on Combining and Dividing Sections

General Information about Combining and Dividing (HU161)

- Numbers for combining/dividing are based on the first Over Fences class in the section
- A section may not be divided unless there are 30 or more entries, unless the section rules require the section to be split at a certain number or if a section is offered in the prize list as combined and the rules for that specific section do not require that section be split at a certain number, it may not be split with fewer than 30 entries

- A section must be divided if there are 50 or more entries
- When a section is split, the prize money must be doubled
- If a section is split, the number of championships awarded is based on the number of sections created from the first Over Fences class (provided at least three entries complete in two over fences and one under saddle class per Championship)

High Performance Hunter

- The High Performance Hunter section may be divided once 30 or more horses have competed in the first over fences class and subsequent classes may be divided once 12 horses have competed in each class
- If there are 50 or more entries in a section, it must be divided.
- If there are fewer than 30 entries, the High Performance section may be combined with either the Performance Hunter 3'6" section or Green Hunter 3'9" (or Green Hunter 3'6"/3'9" if offered combined), but it may not be combined with both.
- If the High Performance Hunter is combined with Green Hunter 3'9" and there are still fewer than 30 entries, it must be further combined with the Green Hunter 3'6".
- When combining the High Performance with the Performance Hunter 3'6" or the Green Hunter 3'9", the new combined section will use the lower amount for entry fees and prize money originally offered for each section.

- If the High Performance Hunter section is combined with the Performance Hunter 3'6" section and there are still fewer than 30 entries, it must be further combined with the Performance 3'3"
- When High Performance Hunter is combined with Performance Hunter 3'6" or Green Hunter 3'9", the combined sections must offer the same number of classes.
- If there are fewer than 30 entries in the under saddle class in a section using the California split, it is not required to be split in order to award multiple section championships.
- When a random split is used, multiple Championships may only be awarded if a minimum of two (2) over fences and one (1) under saddle class are held per section.

Performance Hunter 3'6"

- Height sections (3'3"/3'6") must be held separately if there are six or more entries in each section
- If there are fewer than six entries, the section must be combined with the Performance Hunter 3'3"
- The Performance Hunter section may be divided after 30 or more horses have competed in the first over fences class and subsequent classes may be divided once 12 horses have competed in each class.
- If there are fewer than three entries in either the 3'6" or the combined 3'6"/3'3" section, it may be combined with the High Performance Hunter section unless the High Performance section has already been combined with the Green Hunter sections.
- If there are 50 or more entries in a section, it must be divided.
- There is no requirement for the method of dividing the Performance Working Hunter section; classes may be split using the California split or a random split.
- If there are fewer than 30 entries in the under saddle class in a section using the California split, it is not required to be split in order to award multiple section championships.

Performance Hunter 3'3"

- Height sections (3'3"/3'6") must be held separately if there are six or more entries in each section
- If there are fewer than six entries, the section must be combined with the Performance Hunter 3'6"
- The Performance Hunter section may be divided after 30 or more horses have competed in the first over fences class and subsequent classes may be divided once 12 horses have competed in each class
- If there are 50 or more entries in a section, it must be divided

- There is no requirement for the method of dividing the Performance Hunter section; classes may be split using the California split or a random split
- If there are fewer than 30 entries in the under saddle class in a section using the California split, it is not required to be split in order to award multiple section championships

Regular Conformation Hunter / Green Conformation Hunter

- Sections may not be divided if there are less than 30 entries
- The Green and Regular Conformation sections must be offered separately at Premier competitions
- Sections must be combined when there are three or fewer horses in either section
- Sections must be divided if there are four or more horses in each Conformation section
- When combining the Green Conformation Hunter with the High Performance Conformation Hunter the new combined section will use the lower amount for entry fees and prize money originally offered for each section

Green Hunter Sections (3', 3'3", 3'6", 3'9")

- The Green Hunter 3' and 3'3" section may not be combined with any other hunter section
- The Green Hunter 3'6" and 3'9" section may only be combined with other Green Hunter sections or the High Performance Hunter section if entries warrant
- If the Green Hunter 3'6" and 3'9" sections are combined with the Green Hunter 3' and 3'3" they may not be combined with the High Performance Hunter section

- The Green Hunter 3'6" and 3'9" section may not be combined with the Performance Hunter 3'3" or 3'6"
- Premier and National competitions offering Green Hunter must offer 3'6" and 3'9" sections separately
- They may also offer Green Hunter 3'0" and 3'3", but all sections must be offered separately

- Regional I & II competitions offering Green Hunter must offer all four sections separately
- Sections offered separately must be divided if there are more than 50 entries
- Regardless of how sections are offered, a minimum of 3 entries are required in the section or it must be combined with another section
- Contiguous fence height sections should be combined before combining non-contiguous fence height sections.
- The Green Hunter sections must be held separately if there are a minimum of three entries in each fence height section.
- If sections are offered separately, they may not be divided if there are less than 30 entries
- Green Hunter sections may not be combined with any other Hunter section

Young Hunter Sections (2'9"-5 & under, 3'0"-6 & under, 3'3"-7 & under)

- May not be combined with any other Hunter section but management may choose to run concurrently with the corresponding Green Hunter height section
- May be offered separately or combined
- Sections may not be divided if there are less than 30 entries
- Sections must be divided if there are more than 50 entries
- Regardless of how sections are offered, a minimum of 3 entries are required
- If there are a minimum of 3 entries in sections offered separately, the section(s) must be held separately
- When the Young Hunter section is offered combined, it must be split by fence height and held separately if there are minimum of three entries in each height section
- Contiguous fence height sections should be combined before combining non-contiguous fence height sections.
- Young Hunter sections may not be combined with any other Hunter section

Junior Hunter 3'6"

- Sections offered combined may not be divided if there are less than 30 entries
- Must offer four sections at Premier competitions (large/younger, large/older, small/younger, small/older)
- Must offer two sections at National competitions (large and small)
- If there are fewer than six entries in any sections divided by height and/or age then those sections must be combined
- Example: if there are fewer than six in one Junior Hunter section, but there are six or more in all the other

Junior Hunter sections, then the one section with fewer than six would be combined with one of the other Junior Hunter sections

a) If there are a minimum of 12 entries when sections are combined, the newly combined section must be re-divided using one of the following options:

- By age of rider (age must be given on entry blank, 15 and under & 16-17);
 - By height of horse;
 - Floating Split
 - California Split
- If there are at least six in each section offered divided by age or horse height, the sections must be held separately
 - If all the Junior Hunter 3'6" sections have been combined and there are 3 or more entries, it may run as-is
 - If all the Junior Hunter 3'6" sections have been combined into one section and there are fewer than three (3) total:
 - (1) the combined Junior Hunter section may be canceled at Management's discretion; or
 - (2) the combined Junior Hunter section may be further combined with the Junior Hunter 3'3", Amateur Owner 3'6", or Amateur Owner 3'3" section, at Management's discretion
 - Junior Hunter 3'6" sections must have all height/age groups combined into one section before combining with Junior Hunter 3'3",

Amateur Owner 3'6" or Amateur Owner 3'3"

- If both age sections are combined and there are fewer than three (3) total:
 - (1) the combined A/O 3'3" section may be canceled at Management's discretion; or
 - (2) the combined A/O 3'3" section may be further combined with Amateur Owner 3'6" and/or a completely combined Junior Hunter section, at Management's discretion

Notice to All Exhibitors Regarding Helmet & Ear Bud(s) Rules

To All Riders: Please note that the Lake Placid Horse Shows would like to reiterate that the mandatory helmet rule that took effect on April 1, 2012, will continue to be enforced this year on the Lake Placid Horse Show Grounds. The rule has been implemented nationwide at all USEF licensed hunter/jumper competitions.

The rule requires that anyone on horseback on the property wear a helmet at all times. This consists of anyone showing, schooling, or riding horses on and off of the show grounds, including grooms. This is a facility-wide rule.

The Lake Placid Horse Shows will be enforcing the rule with the support of the United States Equestrian Federation. This is a zero tolerance policy and must be taken extremely serious as it is for the safety of everyone involved. Anyone on a horse without a helmet will be asked to dismount immediately.

Any insubordination will be penalized and the individuals will be fined and expelled from the property. Helmets must be worn at all times, so please plan accordingly. The Lake Placid Horse Show Association would like to thank everyone for in advance for acting in accordance with the USEF rule GR801 which is stated below.

The USEF rule GR801.2 reads: It is compulsory for all persons at Federation licensed hunter, jumper or hunter/jumper competitions when mounted anywhere on the competition grounds, to wear

properly fastened protective headgear which meets or exceeds ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. It must be properly fitted with harness secured. Exception: In Hunter or Jumper classes, adults may be allowed to remove their headgear while accepting prizes and during the playing of the National Anthem only; they must refasten their headgear prior to the lap of honor. It is compulsory for riders in Paso Fino classes, both open and breed restricted including Hunter Hack, where jumping is required and when jumping anywhere on the competition grounds to wear properly fastened protective headgear which meets or exceeds ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. It must be properly fitted with harness secured. A Show Committee, Competition Management, and Licensed Officials must bar riders without protective headgear from entering the ring for classes in which protective headgear is required and may bar any entry or person from entering the ring if not suitably presented to appear before an audience.

USEF Rule HU158 & JP103: The use of any device with ear bud(s) while mounted is prohibited in all hunter and jumper schooling rings.

21. **ASSIGNED PARKING:** Limited reserved parking spaces will be assigned with no fee. Check in the Horse Show Office.
22. **DOGS:** All dogs must be leashed at all times while on the Lake Placid Horse Show grounds. Loose dogs will be picked up and detained until the owner has paid a \$100 fine. We find this extreme action necessary in order to protect exhibitors from injury and to protect their financial investment. This rule will be strictly enforced.
23. **MEDICAL WASTE:** In accordance with the 1989 Federal Waste Tracking Act which restricts the disposal of medical waste, Bio Hazardous Medical Waste Containers will be provided in the stable area. All exhibitors, and their agents are responsible for the proper disposal of this waste.
(HJ104.3) Any trainer, owner, exhibitor or their agent found improperly disposing of needles or other sharp instruments will be fined \$100.
24. **LIABILITY**
 - a) The Lake Placid Horse Show Association, The Town of North Elba, North Elba Parks and Recreation District, US Security Associates, and Morrissey Management Group and their officials, sponsors and employees will not be held responsible for any accident or loss which may occur to any exhibitor, spectator, guest, rider, groom, attendant or other employee, animal or equipment at all of the shows listed in this publication.

They are therefore strongly advised to take out third party insurance providing full coverage for participation in equestrian events at home and abroad, and to keep the policy up to date."
25. **HORSE SHOW VAN PARKING** will not be permitted on the show grounds. Upon arrival all drivers will be given directions to a parking lot (with 24 hour security) 2 miles from the show grounds. We find this necessary to alleviate parking congestion on the show grounds.

Minors who have a valid temporary license may operate the above described motorized vehicles as long as they are accompanied by an adult with a valid driver's license. Operating such devices in areas where people gather may be deemed "unsafe use" if there is a risk of harm to others. If the operator of the device is a minor, the parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating the device in violation of this rule is accountable and may be subject to penalties. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.27.

LPHSA GENERAL & ANIMAL WELFARE POLICY

Upholding the welfare of the horses exhibited here is of primary concern to the Lake Placid Horse Show Association, Inc. and Stadium Jumping, Inc. We require that all horses be treated with kindness, respect and compassion and never be subject to mistreatment.

Owners, trainers, riders and grooms, or their agents, must use reasonable care in the handling and treatment of their horses, whether owned or placed in their care for competition or for any other purpose.

At all times for horses competing on the Lake Placid Horse Show grounds we will provide for the continuous well-being of the horse by vigorously enforcing the rules of the USEF, which pertain to the welfare of the horse. Exhibitors are cautioned that GR839 (which defines the USEF's policy on abuse), GR844 (which pertains to Poling), and GR803 (which pertains to the Use of Whips), will be strictly enforced. Any handling and veterinary treatment should ensure the health and welfare of the horse. High standards of nutrition, health, sanitation and safety shall be encouraged and maintained at all times. Adequate provision will be made for ventilation, feeding and watering and maintaining a healthy environment. Any method of riding and training should take account of the horse as a living entity, and must not include any technique considered to be abusive. The well being of the horse must be considered above the demands of the breeders, trainers, riders, owners, dealers, organizers, sponsors or officials. Violators are subject, under the above rules, to elimination from competition and to protest or charge with resulting formal proceedings which may result in severe fines, suspensions or other penalties.

To affirm the sport of show jumping to the general public in a positive, humane light, and eliminate those training methods which may be misconstrued, we are maintaining the following policy for all horses competing on the Lake Placid Horse Show Grounds, starting one half hour before the first scheduled class of competition and continuing until the last scheduled class of the competition is completed:

28. POLING AND OFF-SETS:

Manual poling and/or the use of bamboo off-sets are prohibited for all horses competing at the Lake Placid Horse Show Grounds. Any rider, trainer, groom or any other person who is in violation of the rules set forth above will be fined \$500 for each incident and may be suspended from further competition for the duration of the scheduled competition starting from the time of the incident. Any horse upon which a violation of the manual poling and/or use of bamboo offsets rule is perpetrated will be suspended from competition for the duration of the scheduled competition. All entry fees for the classes entered during the suspended period of the horse in question will be forfeited.

All incidents will be reported in the Steward's Report and reviewed by USEF's Executive Director for possible further investigation and charges for hearing before USEF's National Hearing Committee.

29. USE OF WHIPS & SPURS:

The use of a whip by any rider at any one incident will be restricted to four lashes behind the girth. Any rider, who in the opinion of the judges, stewards or schooling supervisors, uses his whip or spurs in a cruel or excessive manner will be immediately eliminated from the class in which the incident occurred, and be suspended from further competition for a twenty-four (24) hour period starting from the time of the incident.

In the case of further violations by that exhibitor, on the same horse or another horse, the exhibitor may be barred from any or all future classes at the competition in which the violations occurred and all stabling fees, nominations fees and entry fees will be forfeited.

All incidents will be reported in the Steward's Report and reviewed by USEF's Executive Director for possible further investigation and charges for hearing before USEF's National Hearing Committee.
