Lake Placid Horse Show Family,

Welcome to the 2025 Lake Placid Horse Shows!

Get ready for a fresh and exciting experience upon your arrival! Our show grounds have undergone significant upgrades this past fall, with even more enhancements on the way. One of my key goals as chairman was to bring back FEI competition to Lake Placid, and I'm thrilled to announce that the 2025 Lake Placid Horse Shows will feature a FEI CSI3* event!

This year, we're proud to welcome back Allen Rheinheimer, whose expertise has been invaluable in upgrading our facilities. You'll notice safer horse traffic patterns, a brand-new FEI ring set against the stunning backdrop of the Sentinel Range mountains, a larger Grand Prix Ring, two new hunter rings, and an expanded Jumper 2 and Hooker Ring. Our tent pads have also been upgraded, and remember, we enhanced our electrical systems from 2019 to 2021!

We anticipate strong entry numbers for 2025, so don't hesitate to submit your entries! To prioritize safety and ensure Lake Placid remains your premier showcation destination, we will be capping entries this year.

Lake Placid is more than just a competition venue; it's a beautiful vacation destination nestled in the heart of the Adirondack Mountains. Discover recreational activities such as the new rail trail, hiking, boating, fishing, rock climbing, canoeing, kayaking, golf, and hockey. Explore our charming town filled with excellent housing options, outstanding restaurants, unique shopping, and entertaining activities. Be sure to experience all that Lake Placid has to offer and look out for our supporters flying the "Welcome Horse Shows" member flag!

Since 1969, Lake Placid has held a special place in the hearts of athletes and vacationers alike. Our historic town has hosted two Winter Olympic Games and remains home to numerous prestigious international athletic events. Our shows have served as a launching pad for the next generation of Olympic riders, especially during the US Equestrian Team final Olympic selection trials in 1984 and 1988, which led to gold medals.

As someone who grew up competing here and who had the privilege of attending the 1980 Winter Olympics, this place holds a special significance for me. It is with great pride and honor that I serve as the Chairman of these esteemed and successful horse shows.

I can't wait to see you ringside or in the ring at the 2025 Lake Placid Horse Shows!

Good luck!

Philip Ernst Richter

- B. Horses and ponies must be registered with USHJA to participate in this class.
- C. Exception: Foreign residents and horses and ponies in good standing with their National Federation are eligible to compete in this class but will not receive points unless they follow I.A. and I.B.
- D. USHJA National and Zone HOTY bonus points will only be awarded if the owner is a current Active member of USEF and USHJA and the horse is recorded with USEF and registered with USHJA.
- E. Money won will only count for any USHJA National Hunter Derby standings or awards if the rider, owner and trainer are current Active members of USEF and USHJA, and the horse is registered with USHJA.
- F. Competition management is required to run the class if there are twelve (12) or more entries. They may choose to run the class with twelve (12) or less entries.
- G. The number of horses a rider can compete in a National Hunter Derby may be limited if so specified in the prize list.
- H. The prize list may specify that in order to be eligible to compete in a National Hunter Derby, a horse must compete in one (1) or two (2) classes at the same competition.
- I. The same horse may not compete in the USHJA National Hunter Derby and the USHJA International Hunter Derby at the same competition.
- J. Competing in the USHJA National Hunter Derby does not qualify a horse or rider for the USHJA International Hunter Derby Championship.
- K. Soundness -Horses entered in this class will NOT be required to jog for soundness. All horses are required to trot a circle on a loose rein at the end of the over fences phase listed below. Horses may be asked to return to the ring and trot another circle at the judge's discretion. Judges have the authority to disqualify a horse if deemed unsound. Any unsoundness during the competition will be reflected in the scores from the judges (GR1033.6).
 - a. Traditional Format – Horses must trot for soundness at the conclusion of the Classic Round. If the class is held over two days, horses are required to trot a circle on a loose rein at the end of both Classic and Handy Rounds.

- L. In accordance with HU 174.14 the same horse-and-rider combination must compete in both rounds of the National Hunter Derby.
Attire: Refer to HU107 in the USEF Rule Book for current specifications. Due to inclement weather, competition management may excuse hunt coats or allow waterproof outerwear so long as the exhibitor's back number is worn correctly and visible.

Judging System

- A. Each class may have the option of having either one (1) or two (2) panels of judges. Each panel will consist of two (2) judges sitting together. One (1) judge on each panel must be a USEF "R" judge, the other judge on each panel may be either a USEF "R" or USEF "r" judge. Each panel will provide one (1) score for each round. See "E" for calculating the Overall Score. Management may choose to run a standard formatted Derby with fifteen (15) or fewer entries with one USEF (R) judge.
- B. No panel may award the same base score to any two (2) competitors in any one round unless a competitor's score is below the cut-off score. A numerical score must be given and may be a duplicate score if it is under the cut-off.
- C. The first round shall be judged on performance, hunter pace, jumping style, quality and substance, and movement. After the judge(s) base score is given, one (1) point will be added for each high option fence jumped. The Option Bonus Score of one additional point must be awarded even if there is a refusal, rail down or loss of good jumping style at that higher height option fence, providing that the horse-and-rider combination does jump the higher height option fence. (Maximum of four points.)
- D. The second round shall be judged on performance, hunter pace, jumping style, quality and substance, movement, handiness and brilliance of pace. Handiness is defined as ground saving movement without adversely affecting performance or style. Brilliance of pace is defined as a faster pace than ordinary, without sacrificing performance or style. Handiness is taken into account in the judges' base score. After the judge(s)' base score is given, one (1) point will be added for each high option fence jumped. The Option Bonus Score of one additional point must be awarded even if there is a refusal, rail down or loss of good jumping style at that higher height option fence, providing that the horse-and-rider combination does jump the higher height option fence. (Maximum of four points.)
- E. Overall Score - The final score from each round (3'0" with 3'5" options) will be added to obtain the overall total for each horse.
- F. Hunt and Go - *Please note this Hunt and Go is judged differently than the International Hunter Derby Hunt and Go.

Tie Breaking Procedures

- A. No judge or panel may award the same base score to any two competitors in any one round unless a competitor's score is below the cut-off score.
- B. Any ties in all rounds will be broken by the base score (before adding height bonus points) of that round.
- C. Unless the prize list states that more than 12 entries are to return for the second round, only the top 12 horses from the first round, after all ties are broken, are eligible to return for the second round.
- D. All ties for overall first place in the class will compete in a jump-off round. In the case of unsafe conditions preventing a jump-off from being held, the tie will be broken using the second round base score (before adding height bonus points).
- E. Ties for other than first place in the overall standings will be broken using the second round base score (before adding height bonus points).
- F. Prior to the start of the class, if two judging panels are used, one panel must be designated as the tie breaking panel for the first round and another panel must be designated as the tie breaking panel for the second round. The tie breaking panel for the first round will also be designated as the tie breaking panel for the jump-off round.

Schooling

- A. During the two rounds of the National Hunter Derby, all horses entered must be ridden in official horse show schooling areas unless Management designates a specific schooling area for National Hunter Derby horses. Riders must wear their horse's Derby competition number while mounted. This includes horses entered simultaneously in another class, if any. Entered horses ridden or schooled elsewhere on the competition grounds or NOT wearing their Derby competition number will be eliminated from competing in the Derby and the entry fee will be forfeited.

Order of Go

- A. The order of go must be posted a minimum of one hour prior to the start of the class.
- B. In the case of multiple horses being ridden by the same rider, every effort will be made so that there will be a minimum of eight horses (if available) separating multiple rides. All horses must be ridden in the sequence that appears on the jumping order in the first round of the competition. In the second round horses will return in reverse order of their first round scores (lowest to highest). Due to multiple or rider conflicts, any rider may elect to move up in the order. Should a jump-off rides occur, horses will return in the same order in which they competed in the second round.
- C. The draw may be performed by hand or competition management may host a computer draw.

THE LAKE PLACID HORSE SHOW JUNE 24 THROUGH JUNE 29 IS PROUD TO BE A PART OF THE USHJA WORLD CHAMPIONSHIP HUNTER RIDER PROGRAM

Hunter sections may be run as back-to-back classes at management's discretion (HU125). When classes are run back-to-back, exhibitors may perform both rounds before leaving the ring. All classes will be judged on performance and soundness unless otherwise indicated. Starting orders will be produced and run in accordance with USEF Rule HU126. Courses will simulate fences found in the hunting field such as: brush, wall, in and out, oxer, post and rails, gate, aiken, panels. Individual hunter classes may be entered for 20% of the prize money offered in that class unless otherwise specified.

In all rated hunter sections a numerical score will be given by the judges.

In all classes over obstacles, all horses being considered for an award must jog for soundness using either Option A or Option B below. Management must state in the competition prize list which method of jogging will be used. Horses/ponies that are unsound will be eliminated and ineligible for an award in that class. The judge's decision regarding soundness is final.

Option A: Horses/ponies are required to trot a circle on a loose rein at the end of each over fences performance. Horses/ponies may be asked to return to the ring and trot another circle at the judge's discretion.

Option B: Horses/ponies will be jogged together with the rider unmounted in the judge's order of preference. Two additional entries in addition to the number of ribbons must jog if there are sufficient entries. Horses/ponies may be asked to re-jog at the judge's discretion. A horse/pony may not leave the ring until the job has been declared official by the judge, or it will be eliminated. A horse that is unruly, one that breaks away from the handler or one whose actions threaten to endanger the rider, handler, other exhibitors or their entries will be eliminated. (Exception: Hunter Breeding and Pony Breeding). A horse may not be eliminated for receiving outside assistance in the jog. In classes restricted to ponies a junior must jog the pony for soundness.

All sections that may be combined will be done 24 hours prior to the division start.

See Page 60 for Zone 2 Specifications.

AGE GROUP EQUITATION: CHILDREN'S/JUNIOR SECTION

- Refer to GR1132

2025 Guidelines to Combining and Dividing Sections

Performance Hunter and High Performance Hunter.

a. Number to hold separate sections: Performance: four (4) and High Performance: three (3). If four (4) compete and only three (3) complete (i.e. one is eliminated or retires) points will be awarded as per GR 1113.

b. Combining

1. At all licensed competitions, if there are fewer than four entries in either the Performance Hunter 3'3" or Performance Hunter 3'6" they must be combined, but they cannot be combined with any other Hunter sections, except High Performance Hunter. If there are four or more entries in each Performance Hunter section, they must be held separately. If the Performance Hunter 3'6" and the Performance Hunter 3'3" sections have fewer than three entries after they have been combined they may be further combined with the High Performance Hunter section.

2. If there are fewer than three entries in the High Performance Hunter section it must first be combined with the Performance Hunter 3'6" section or the Green Hunter 3'9" section (or with Green Hunter 3'6"/3'9" if offered combined). If the High Performance Hunter section is combined with the Performance Hunter 3'6" section it may then further be combined with the Performance Hunter 3'3" section, but may not be combined with the Green Hunter section(s).

3. When the High Performance Hunter section is combined with the Performance Hunter section the following applies:

a. When combining High Performance Hunter with Performance Hunters, the combined sections must offer the same number of classes offered by the Performance Hunter section(s) with which it is combined.

b. When combining High Performance Hunter with another section, if different amounts of prize money or entry fees were offered in the original sections, the combined sections will use the lower amount for both prize money and entry fees.

4. When the High Performance Hunter section is combined with the Green Hunter section the following applies:

a. If, after combining, there are still fewer than three entries in the combined section, it must be further combined with the Green Hunter 3'6" section

b. If combined Green Hunter sections have fewer than three entries, they must be combined with High Performance Working Hunter.

c. A horse that is eligible for more than one section must be declared and compete in only one. Horses will jump the respective height for the entered section.

d. When combining High Performance Working Hunter with another section, if different amounts of prize money or entry fees were offered in the original sections, the combined sections will use the lower amount for both prize money and entry fees.

e. When combining a section of High Performance Hunter with either a section of Green Hunter 3'6", Green Hunter 3'9", or both, the combined sections must offer the same number of classes offered by the Green Hunter section(s) with which it is combined. In addition, a section entry fee will be required and individual classes may no longer be entered for the combined section.

f. The High Performance Hunter section may be combined with a combined Green Hunter 3'6"/3'9" section but may not be combined with any Green Hunter 3'3" or 3'0 sections.

c. Dividing:

1. In Performance Hunter, High Performance Hunter and any other sections where individual classes may be entered, the sections may only be divided after thirty (30) horses have competed in the first over fences class. Subsequent classes may be divided once twelve (12) horses have competed in each class. For Championships, see HU154.

Green Hunter

a. Number to hold separate sections: three (3).

b. Combining:

1. Green Hunter section(s) may not be combined with any other hunter section(s). (Exception: The High Performance Hunter section may be combined with the Green Hunter 3'6" and 3'9" sections, see HU164.1)

2. Regardless of competition rating, each Green Hunter section that is offered separately must be held separately when there is a minimum of three entries.

3. If there are fewer than three entries in a Green Hunter section, that section must be combined with a contiguous fence height section of the Green Hunter.

4. If, after combining, there are still fewer than three (3) entries in the combined section, it must be further combined with the next contiguous fence height section of the Green Hunter.

5. In the case where there are no entries in the fence height section that bridges the gap between the two non-contiguous fence height sections those two non-contiguous fence height sections may be combined.

6. If Premier or National rated Green Hunter 3'0" and/or 3'3" sections are combined with Premier or National rated Green Hunter 3'6" and/or Green Hunter 3'9" sections a Handy Hunter class is not required. The combined sections must meet class number requirements for Premier or National rated Green Hunter 3'6" and Green Hunter 3'9" and use the lower amount for both prize money and entry fees.

7. When the High Performance Hunter section is combined with the Green Hunter section the following applies:

a. If, after combining, there are still fewer than three entries in the combined section, it must be further combined with the Green Hunter 3'6" section

b. If combined Green Hunter sections have fewer than three entries, they must be combined with High Performance Working Hunter.

c. A horse that is eligible for more than one section must be declared and compete in only one. Horses will jump the respective height for the entered section.

d. When combining High Performance Working Hunter with another section, if different amounts of prize money or entry fees were offered in the original sections, the combined sections will use the lower amount for both prize money and entry fees.

e. When combining a section of High Performance Hunter with either a section of Green Hunter 3'6", Green Hunter 3'9", or both, the combined sections must offer the same number of classes offered by the Green Hunter section(s) with which it is combined. In addition, a section entry fee will be required and individual classes may no longer be entered for the combined section.

f. The High Performance Hunter section may be combined with a combined Green Hunter 3'6"/3'9" section but may not be combined with any Green Hunter 3'3" or 3'0 sections.

c. Dividing:

1. Regardless of competition rating, any Green Hunter section that is offered combined must be split by fence height, and sections held separately when there is a minimum of three entries in any one fence height section provided at least three

(3) entries remain in each of the other two sections, which would also be held separately, or as one other combined section. Contiguous fence height sections should be combined before combining non-contiguous fence height sections.

Young Hunter

a. Number to hold separate sections: three (3). b. Combining:

1. Young Hunter section(s) may not be combined with any other Hunter section.

2. At Competition Management's discretion, and with at least three (3) Young Hunters entered in any section, the Young Hunter Section(s) may run concurrently with the corresponding Green Hunter height section or Combined Green Hunter Section. Horses that are entered in both the Young Hunter and Green Hunter section(s) will be eligible for awards in both sections. Horses that are not entered in both sections will only be eligible for awards in the section in which they are entered. If there are fewer than three (3) entries in any of the Young Hunter section(s) they must be combined for awards per HU166.3. A separate entry fee for the Young Hunter Section will apply. The Green Hunter section requirements by rating listed in HU166.2 will still apply.

3. Regardless of competition rating, each Young Hunter section that is offered separately must be held separately when there is a minimum of three entries. If there are fewer than three (3) entries in a Young Hunter section that section must be combined with a contiguous fence height section of the Young Hunter. If, after combining, there are still fewer than three (3) entries in the combined section, it must be further combined with the next contiguous fence height section of the Young Hunter. In the case where there are no entries in the fence height section that bridges the gap between the two non-contiguous fence height sections those two non-contiguous fence height sections may be combined.

c. Dividing:

1. Regardless of competition rating, any Young Hunter section that is offered as a combined section must be split by fence height, and sections held separately when there is a minimum of three entries in any one fence height section provided at least three (3) entries remain in each of the other two sections, which would also be held separately, or one other combined section. Contiguous fence height sections should be combined before combining non-contiguous fence height sections.

Green Conformation Hunter 3'6" and High Performance Conformation Hunter a. Number to hold separate sections: three (3).

b. Combining:

1. The Green Conformation Hunter 3'6" may only be combined with the High Performance Conformation Hunter. The High Performance Conformation Hunter may only be combined with the Green Conformation Hunter 3'6".

2. When offered as two sections, if there are fewer than three (3) horses in either the Green Conformation 3'6" or the High Performance Conformation section they must be combined.

3. When combining Green Conformation Hunter with High Performance Conformation Hunter, if different amounts of prize money or entry fees were offered in the original sections, the combined section will use the lower amount for both prize money and entry fees.

c. Dividing: If there are three (3) or more horses in each Conformation section they must be held separately.

2. At Premier, National or Regional rated competitions if there are fewer than three (3) entries in the Amateur Owner 3'3", the Amateur Owner 3'6", the Junior Hunter 3'3" or the Junior Hunter 3'6" sections, Competition Management may choose to combine the sections. The Competition Management may choose to combine the sections as necessary, based on the sections with the lightest entries. If sections are combined, the horses must jump the respective height of the original section entered. In addition, while the sections can be combined if entries warrant, in order for Horse of the Year points to count they must be offered separately in the prize list for Premier rated competitions (see HJ122). When sections are combined as per above, three (3) must complete for points to count.

3. It is recommended that when competitions anticipate 50 horses or more this section be divided by age of rider or height of horse when prize list is prepared.

c. Dividing:

1. When divided, sections must be split using one of the methods from HU161 Methods of Dividing.

2. If there are 50 or more entries in the section at the beginning of the first class it must be divided and the prize money must be doubled.

3. If there are 50 or more entries remaining in a section after it has been divided, the section must be redivided and the prize money must be doubled. Once a section has been redivided it may be divided further if management so desires.

4. If the Junior Hunter sections are divided by height of animal, they must be divided into Large and Small. Premier rated Junior Hunter 3'6" sections at Premier rated competitions must be offered as four sections (large/younger, large/older, small/younger, small/older).

5. If there are four (4) or more entries in each divided section, the divided sections must be held separately. If there are fewer than four (4) entries in any sections divided by age and/or height of animal, those sections must be combined with other sections. If there is a minimum of twelve (12) entries once any sections have been combined, the newly combined section must be redivided.

2. At Premier, National or Regional rated competitions if there are fewer than

three (3) entries in the Amateur Owner 3'3", the Amateur Owner 3'6", the Junior Hunter 3'3" or the Junior Hunter 3'6" sections, competition management may choose to combine the sections. The competition management may choose to combine the sections as necessary, based on the sections with the lightest entries. If sections are combined, the horses must jump the respective height of the original section entered. In addition, while the sections can be combined if entries warrant, in order for Horse of the Year points to count they must be offered separately in the prize list for Premier rated competitions (see HJ121). When sections are combined as per above, three (3) must complete for points to count.

3. At Premier, National or Regional rated competitions if there are fewer than three (3) entries in the Amateur Owner 3'3", the Amateur Owner 3'6", the Junior Hunter 3'3" or the Junior Hunter 3'6" sections, these sections may be combined.

Notice to All Exhibitors Regarding Helmets, Electronic Devices & Safe Sport Rules

To All Riders: Please note that the Lake Placid Horse Shows would like to reiterate that the mandatory helmet rule that took effect on April 1, 2012, will continue to be enforced this year on the Lake Placid Horse Show Grounds. The rule has been implemented nationwide at all USEF licensed hunter/jumper competitions.

The rule requires that anyone on horseback on the property wear a helmet at all times. This consists of anyone showing, schooling, or riding horses on and off of the show grounds, including grooms. This is a facility-wide rule.

The Lake Placid Horse Shows will be enforcing the rule with the support of the United States Equestrian Federation. This is a zero tolerance policy and must be taken extremely serious as it is for the safety of everyone involved. Anyone on a horse without a helmet will be asked to dismount immediately.

Any insubordination will be penalized and the individuals will be fined and expelled from the property. Helmets must be worn at all times, so please plan accordingly. The Lake Placid Horse Show Association would like to thank everyone for in advance for acting in accordance with the USEF rule GR801 which is stated below.

The USEF rule GR801.2 reads: It is compulsory for all persons at Federation licensed hunter, jumper or hunter/jumper competitions when mounted anywhere on the competition grounds, to wear properly fastened protective headgear which meets or exceeds ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. It must be properly fitted with harness secured. Exception: In Hunter or Jumper classes, adults may be allowed to remove their headgear while accepting prizes and during the playing of

the National Anthem only; they must refasten their headgear prior to the lap of honor. It is compulsory for riders in Paso Fino classes, both open and breed restricted including Hunter Hack, where jumping is required and when jumping anywhere on the competition grounds to wear properly fastened protective headgear which meets or exceeds ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. It must be properly fitted with harness secured. A Show Committee, Competition Management, and Licensed Officials must bar riders without protective headgear from entering the ring for classes in which protective headgear is required and may bar any entry or person from entering the ring if not suitably presented to appear before an audience.

ELECTRONIC DEVICES: The unsafe use of electronic devices, as determined by the competition steward in their sole discretion, including cell phones while mounted is prohibited in all areas designated for schooling and exercise, and while lunging horses on competition grounds. Earphone(s)/Earbud(s) are prohibited in all areas designated for schooling and exercise.

SAFE SPORT Reminder: All USEF Life and Senior Active members, as well as participants who have regular contact with minor athletes, are required to comply with the U.S. Center for SafeSport training requirement to be eligible to participate in the competition. All participants must adhere to the U.S. Center for SafeSport Code, USEF Safe Sport Policy, and the Minor Athlete Abuse Prevention Policies. More information about these can be found at www.usef.org.

They are therefore strongly advised to take out third party insurance providing full coverage for participation in equestrian events at home and abroad, and to keep the policy up to date."
25. **HORSE SHOW VAN PARKING** will not be permitted on the show grounds. Upon arrival all drivers will be given directions to a parking lot (with 24 hour security) 2 miles from the show grounds. We find this necessary to alleviate parking congestion on the show grounds.

Minors who have a valid temporary license may operate the above described motorized vehicles as long as they are accompanied by an adult with a valid driver's license. The parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating a motorized vehicle in violation of this rule are solely responsible for any damages, claims, losses or actions resulting from that operation. Operating such devices in areas where people gather may be deemed "unsafe use" if there is a risk of harm to others. If the operator of the device is a minor, the parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating the device in violation of this rule is accountable and may be subject to penalties. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.

27. LPHS GENERAL & ANIMAL WELFARE POLICY

Upholding the welfare of the horses exhibited here is of primary concern to the Lake Placid Horse Show Association, Inc. and Showtime Jumps LLC. We require that all horses be treated with kindness, respect and compassion and never be subject to mistreatment.

Owners, trainers, riders and grooms, or their agents, must use reasonable care in the handling and treatment of their horses, whether owned or placed in their care for competition or for any other purpose. HJ106 All horses while in exercise areas or lunging areas must have a show number attached to the horse or the individual riding or handling. Any horse without the correct number will be asked to leave the area.

At all times for horses competing on the Lake Placid Horse Show grounds we will provide for the continuous well-being of the horse by vigorously enforcing the rules of the USEF, which pertain to the welfare of the horse. Exhibitors are cautioned that

GR839 (which defines the USEF's policy on abuse), GR844 (which pertains to Poling), and GR803 (which pertains to the Use of Whips), will be strictly enforced. Any handling and veterinary treatment should ensure the health and welfare of the horse. High standards of nutrition, health, sanitation and safety shall be encouraged and maintained at all times. Adequate provision will be made for ventilation, feeding and watering and maintaining a healthy environment. Any method of riding and training should take account of the horse as a living entity, and must not include any technique considered to be abusive. The well being of the horse must be considered above the demands of the breeders, trainers, riders, owners, dealers, organizers, sponsors or officials. Violators are subject, under the above rules, to elimination from competition and to protest or charge with resulting formal proceedings which may result in severe fines, suspensions or other penalties.

To affirm the sport of show jumping to the general public in a positive, humane light, and eliminate those training methods which may be misconstrued, we are maintaining the following policy for all horses competing on the Lake Placid Horse Show Grounds, starting one half hour before the first scheduled class of competition and continuing until the last scheduled class of the competition is completed.

28. POLING AND OFF-SETS:

Manual poling and/or the use of bamboo off-sets are prohibited for all horses competing at the Lake Placid Horse Show Grounds. Any rider, trainer, groom or any other person who is in violation of the rules set forth above will be fined \$500 for each incident and may be suspended from further competition for the duration of the scheduled competition starting from the time of the incident. Any horse upon which a violation of the manual poling and/or use of bamboo offsets rule is perpetrated will be suspended from competition for the duration of the scheduled competition. All entry fees for the classes entered during the suspended period of the horse in question will be forfeited.

All incidents will be reported in the Steward's Report and reviewed by USEF's Executive Director for possible further investigation and charges for hearing before USEF's National Hearing Committee.

29. USE OF WHIPS & SPURS:

The use of a whip by any rider at any one incident will be restricted to four lashes behind the girth. Any rider, who in the opinion of the judges, stewards or schooling supervisors, uses his whip or spurs in a cruel or excessive manner will be immediately eliminated from the class in which the incident occurred, and be suspended from further competition for a twenty-four (24) hour period starting from the time of the incident.

In the case of further violations by that exhibitor, on the same horse or another horse, the exhibitor may be barred from any or all future classes at the competition in which the violations occurred and all stabling fees, nominations fees and entry fees will be forfeited.

All incidents will be reported in the Steward's Report and reviewed by USEF's Executive Director for possible further investigation and charges for hearing before USEF's National Hearing Committee.
